

The Bus Stop Atheist

A Musical By: Alan Bean

Presented by Bus Stop Productions
a non-profit entity of the Bridgton C&MA

Coming to the Merrill Auditorium in Portland in September is the world debut of:

The Bus Stop Atheist

**A musical theater production that tells the story of
one man's journey to faith in Christ.**

This is a very unique, entertaining, Christian event that will be appropriate for all audiences, all ages, all musical tastes and all Christian denominations. This is a wonderful opportunity for believers to invite family, friends and neighbors to be introduced to the love of God in a universally entertaining way.

This promotional packet is being provided to your congregation as a means of getting the word out only. We are not seeking financial support.

This is a completely non-profit event. **100% of the profits** will be donated to **Compassion International's Water for Life program**, a ministry that provides water purification systems to children and their families in impoverished countries. Unclean drinking water is the leading cause of childhood illness worldwide.

For approximately **every two tickets** sold to this event,
an entire family will have a **lifetime supply of clean water!**

It is our hope that your church will simply:

- print and hang the included poster** in your facility,
- announce this event a few times from the pulpit in coming weeks, and
- play one of the brief promotional videos from our website for your congregation.

If you are unable to stream the video, we can send you a DVD upon request. On the DVD are three videos to choose from: approximately 1 minute, 3 minutes and 4 ½ minutes in length. We invite your governing body to view all three to choose which seems best for your church.

Any questions may be sent directly to: info@TheBusStopAtheist.com , phone 207-615-1717
